12-23-24 - wrote to Sub-Division of Vets.
 Bureau at Little Rock for in-
 formation in the case.
 Also wrote the Vets Bureau at
 Okla City for information in the
 case - as to where to inquire -

Cont from 103-

an out child of Mary - that Mary
 had not married till she & Sam
 was married - Soldier was then
 a very small child - & as far as his
 mother knows, Soldier only knew
 Goldthread as his father -

So the case rests on three
 names, to date -

Calvin Cravens,
 Calvin Gilbert - or
 Calvin Goldthread -

12-29-24, wrote the Director these
 facts as Sam gave them to me -
 & asked the case be viewed from the
 3 points -

Sam Goldthread this day, 12-29-24
 promised to pay me \$100.00 in case
 I find the Boy, dead or alive -
 I agreed to do so if at all
 possible -

See 109.

 Mr. Wilson, head of Vets - died

So Mr. Wilson informs me,

 ficers of the 1st & 2nd and 3rd Regts-

 diers were in engagements or in action-

Historical the above is--and is why I
 copy same and place in a conspicuous place
 for reference---

This reference to the officers of the
 Nation was early after the close of the
 civil war of 1861-5--and brought out during
 John W. Wrights claim regime among the Creeks
 and Cherokees---

Pensions, pay and bounties--

True in a material sense because the
 U. S. Govt required it--and as it led to
 the investigation of Wrights manner in said
 claims and his eventual arrest of fraud&c.
