My old friend

John Hannah of  
 Sallisaw, Okla. Dead —  
 Such men as he  
 are indeed scarce now.  
 He was on the order  
 of Roosevelt in a  
 way — when he  
 spoke it was just  
 that way — and he  
 was of an opinion  
 that always carried  
 weight — a stern  
 man in a business  
 matter — and a  
 friend in need of  
 aid —

John paid his  
 debts like a  
 good & resolute man.  
 If the Country had  
 more John Hannahs  
 it would be a more  
 better place for ex-  
 istence — as it is  
 now we have only sleazo  
 & shames —
