

NOV. 21, 1915-

Last night Bood & Layla went to Ft Smith, —

Myself, am suffering from many causes, physically & mentally —

To me it is almost hell on earth — & how long am I to endure it —

I can get from under, I must do so & that soon — I meet any & all sequences thereof — Many years have I suffered & endured — but not much longer — This old world is too large for a person to be so surrounded —
