John Tiger, Spavinaw, Okla. 5-2-14, wrote  
him on the case he wished assistance on,  
gave him material advice thereon  
as to institution of case, & manner  
of proceeding - for data of family  
history - generally - and directed  
him to act if to act all -

My orig fee was \$3.00 advance  
simply to cover incidentals - as in any  
case where an advance is requested -  
many cases of all kinds I have commenced  
& prepared a basis of action on promises only,  
& soon case lapsed & lost my time, trouble paper  
& postage, without even a thank you -
