John Tiger, Spavinaw, Okla. 5-2-14, wrote
him on the case he wished assistance on,
gave him material advice thereon
as to institution of case, & manner
of procedure - for data of family
history - generally - and directed
him to act if to act all -

My orig fee was \$3.00 advance
simply to cover incidentals - as in any
case where an advance is requested -
many cases of all kinds I have commenced
& prepared a basis of action on promises only,
& soon case lapsed & lost my time, trouble paper
& postage, without even a thank you -
