was his goal - to learn the American people in the Lurch for what they had contributed to the war & the damage caused the American people - Wilsons policy in the settlement if he had any was wrong then & is now -

Why didnt the allied armies go & enter Berlin & all other large cities & take over all revenues of Germany? Costs & reparations would now & early be settled -

Magnanimity caused loss to the allies of many millions -

One button on Napoleons coat was of more value than one dozen Wilsons -
