

There is charged up against  
the property of Ceffeyville a  
bonded indebtedness of  
774#854,000. Its interest  
will be over a million  
now. ~~The man who wants~~  
~~to increase this debt~~

We are at a stage now ~~where~~ in  
which we cannot take on  
any more debt & live.

This state of affairs hurts  
very few in the city. To say

To a lot of gentry costing  
#35,000 with an annual  
interest of #2,100 and endless  
expenses thereafter will not  
add anything to our ~~to~~ already  
crushing taxes is to charge the  
man who benefits with  
hopeless imbecility
