

The charges to maintain it
could necessarily be so high
that few could afford it hence
~~the hungry~~ ~~hatch~~ and a
mother sent home to sick
child and the repose of home
and loving ministrations there
to a sufferer could outweigh
all the tropery of a thousand
hospitals.

~~Which was very interesting~~
I wrote the mayors of Wichita
Topeka & Lawrence as to the
cost of their city hospitals and
the cost of maintenance &
submit their answers.

Isnt this example of surpassing
value to us.

The how keen a competing ground
for contractors and profiteers
how much
