

hospital with "Only" <sup>#</sup> 35,000  
<sup>additional</sup>  
~~more~~ debt and a yearly  
<sup>#</sup>  
interest of 2000 more with  
endless expenses to follow  
of all the wild visionary  
plans ever hatched. This is chief  
A hospital will be little relief  
for the sickness of our overstock  
Coffeyville if we keep on piling  
<sup>and which has already taken</sup>  
up our debts.

<sup>city</sup>  
Do not claim that a public  
institution of such magnitude  
and cost and burden ship  
should ~~not~~ <sup>be</sup> <sup>financing</sup> as all public  
affairs are apt to be. more  
especially in this time of  
scarcity falsely so called is  
to insult the intelligence of  
the people. Away with it it is  
a fable and a fraud!
