

I respectfully inquired their
cost and cost of maintenance.
Both replied that they have ^{like ours}
no city hospital that theirs
is wholly private. Somewhat
suggestive is it. Some
proof moreover of the grin-
ning African in our face
Topeka & Wichita two splendid
cities full of Kansas energy
and generous ^{humanitarian} purpose where
~~many~~ thousands come & go and
railroad agencies of great
extent at Topeka the largest
railroad shops in the west ~~and~~
yet no city hospital. Too wise
for that. Let all those whose
bosoms are heaving with generosity
at others expense go and do like-
wise and get all the comfort and
profit out of it the subject is capable
