Dear Mother

I have just received your letter of the 14th and was glad to hear from you. The folks are all well and hope you are the same. I have not had the opportunity to say to you much about the paper but it is now in the hands of the printer and will be ready in a few days.

We have had a very successful season and have been able to pay our debts and have some money left over. I have not had time to write you much but will do so as soon as I can. I have not had time to say to you much about the paper but it is now in the hands of the printer and will be ready in a few days.

Mr Platt presents his
compliments to The Misses
Caroline, Louisa and Maria
but the accompanying trifles
are not more worthy of their
acceptance - He trusts they
will attribute their small value
to the limited assortment to be
found in the "Nation" and not
to any desire on his part to
escape from the full penalty
of his "Philoprena"
