Griffitts, James Addison (1859-1931)

Papers 1906-1940

.25 foot

Minister. Publications (1907-1940), including *The Christian Workers Magazine*, booklets produced by the American Friends (Quakers) regarding an African mission and national service efforts, and one textbook used at the Friends Hillside Mission in Indian Territory and Oklahoma; and minutes (1906-1907) of the ministry and oversight meetings held at the Friends mission at Vera, Indian Territory. The minutes of only two meetings are recorded. The collection also includes a biographical sketch of Griffitts.

Folder

1. Biographical sketch of James Addison Griffitts.
2. Minutes of ministry and oversight meetings (1906-1907).
3. "The Friends [of] Africa Industrial Mission" (1910); American Friends Service Committee Annual Report for 1940; *Lessons in Physical Geography* by Charles R. Dryer (1901).

Also, several issues of *The Christian Workers Magazine* (1916-1920).
