To whom it may concern
In Washington State in 1980's I

took up painting & needed some frames
to put them in - being poor went to
a garage sale and picked up some.
One of these frames had picture of
Gene Autry in it. When I took it apart
under Gene's picture is a picture
of a letter to Chief Little Bison from
from. Eulalie.

Los Angeles, California

written in light & dark ink to make
a picture of Chief's feather head band
& face.

If interested in this
for museum let me
know.

Thank you
Marjorie City.

Signed
Eulalie.
