With much love to you chief  
and your people.

Dwight K. Wilbur

I have always had a great love  
for our American Indians.  
At one time I lived in  
Tolosa which as you know is  
Ohio.  
As far as our government the  
American Indians are the only real  
Americans.  
I would like to know Chief if  
there is any way I could become  
a favored member of your people.  
All my life from a little boy I  
have up held the American Indian  
I hope I may hear from you  
Chief Wilbur, over please
