Dear Chief MANKiller;

ALL my life I have fought for the right of  
The American Indian, for my mother was part Indian, Her NAME  
was Rebecca Frye. She died in 1970. PART of me died with her.

I have written several articles and would like you to  
have copies of them.

In October I visited Cherokee, N.C. and gave them a copy,  
but have not heard anything from them. They were to publish it in  
their paper "ONE Feather" and send me a copy. I do NOT care for  
publicity, but would like a copy.

I saw you on "You Bet your Life" with Bill Cosby and was so  
glad and happy that you won.

Also saw you in today's "PARADE" MAGAZINE.

I hope you and yours have a wonderful and blessed New Year.

Please write back.

Sincerely yours,  
Patricia Agent
