Dear Rebecca:

Sorry, I am typing instead of writing. You would never be able to read my writing.

Charlie and I were both happy to hear you have healed and are doing well. Please let us know how you are doing, where you are working, etc.

I hope we can get together the next time I am in New York. You are always welcome to visit here.

Stay well and when you feel a little rugged, remember that wonderful week in Mexico. What a dream-like place.

Love,

Wilma and Charlie
