Honorable Wilma Mankiller
Principal Chief
Cherokee Nation
Tribal Complex
Tahlequah, Oklahoma 74464

Dear Wilma:

As we discussed, enclosed are some "cards". If appropriate, we can order several thousand more and drop them from low flying airplanes at periodic intervals!

Seriously, I much appreciate your time yesterday, and still feel like I imposed on it. However, my understanding of the breadth and depth of the Nation's activities is considerably enhanced as the result of our visit.

Stephanie was equally enthused about seeing you, Charlie, Yvonne and Ned sometime reasonably soon. It's been a frantic year for all six of us, from what I gather.

I greatly appreciate your time and your interest, and if a need arises where I can assist the Cherokee Nation, I would be pleased and honored to help.

Sincerely yours,

Tom
