Dear Wilma:

Thank you for your willingness to autograph additional copies of Mankiller: A Chief and Her People. It will mean so much to members of the Cushing family who met you at Dr. Curry's luncheon and several who had hoped to attend but were unable to do so.

The list of names is enclosed. For your reference, I have indicated with an asterisk those who attended the luncheon at Jewett House. A Federal Express shipping label with our account number is also enclosed for your office's convenience in returning the box to Cushing.

We have just received the videotapes from Graduation, and I am enclosing a copy for you. Again, our thanks for your role in making Cushing's Commencement such a meaningful event.

It is hard to believe that the summer session is already halfway completed. It has been such a pleasure to have Winterhawk, Abraham, and Kenneth with us again. If I may be of any assistance to you or to the boys during the remainder of the summer session or as they begin the academic year, please let me know.

Cordially,

Ruth J. Mitchell
