Dear Chief Mankiller,

First, let me thank you for the lovely flowers you sent on the day of my robing ceremony. Jan and I are sorry that you were unable to attend; we would have drafted you to join the program with Senators Boren and Bellmon and Judges Thompson and Leonard. A good time was had by all--or at least most.

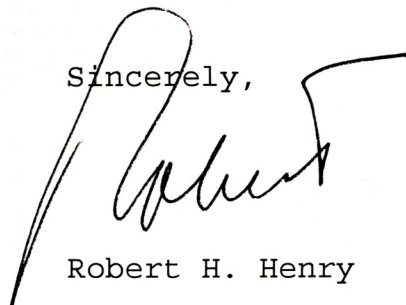

Second, a belated congratulations on your selection to the 1994 Oklahoma Hall of Fame. I don't always agree with the selections, but I certainly agree with yours. It is an honor for the Hall to have you as a member.

Third, I want to invite you, as we discussed at Yvonne's house, to lecture at Oklahoma Baptist University in the lectureship endowed by my family. The lecture can be on a topic of your choosing, and we request that you allow students to ask questions. Perhaps you would be willing to propose some dates. Fall is preferred, but spring would work, too. The lecture has a small honorarium, and we will provide you with a tape of your remarks. Past lecturers have included Dr. Ada Lois Sipuel Fisher, Speaker Carl Albert, Congressman Ed Edmondson, Henry Bellmon, George Singer and Clara Luper.

Finally, I just wanted to tell you once again not only how much I enjoyed your book, but also how useful it continues to be. I discussed it in my remarks on ethics at the Sovereignty Symposium. When I get all the citations written down, I'd like to send you the speech.

Again, thanks for the lovely flowers; Jan and I are glad to have you as a treasured friend.

Sincerely,

Robert H. Henry
