Dear Ms. Wilma Mankiller

Greetings, first let me introduce myself my name is Larry Albert a Vol. Adult Boy Scout in the Order of the Arrow.

I am seeking some info on the Cherokee Male dressed between the 1750-1800's ^{Before} and after the transplant to Oklahoma, I am looking for ideas in bead patterns and jewelry leggings breach Clout, Shirts, I am not finding that much with our library here in Michigan.

The reason I had picked Cherokee was, I was told by my Mother on that ~~side~~ side of the family I have an 1/8 Cherokee in the family tree, which comes from the Penn-Kent. area.

Also could I get your autography on this ~~article~~ article which I got from the Detroit News when you were elected.

If you can help me on my journey it would be helpful. Thank you

Sincerely

Larry Albert
