

Dear Wilma, Chief: 6:00 AM 4-30-94

I was making up several of my many designs, and thought you might like this one. Its for you.

And at the same time, I ask you to consider in the next two weeks, to become my C.E.O. I will be doing many of these United States, and many of the Nations of Our World shortly.

I will soon employ women from these Countries, for sales in their Countries, in my behalf. So you would head up this effort.

If you interested, in the next two weeks, please write me!

Thanks you!  
Sincerely,

Quemich F. Sullivan

Don't  
ever
