If the National Park Service is authorized to develop this battlefield, the interpretive story will provide a significant marketing tool to tell about this critical period in the history of the Five Civilized Tribes. If I can provide more information, please call me at 405-521-2491. The resolution from your Council would be most helpful if received before June 15, 1994, when we plan to go to Washington.

Thank you for your assistance.

Sincerely,

OKLAHOMA HISTORICAL SOCIETY
