Dear Bud:

Thanks for considering my request for you to introduce me at the 1994 Oklahoma Hall of Fame event on November 5, 1994. I certainly understand scheduling constraints. You were my first choice. There are plenty of other options but I just felt that it should be you. I will now probably ask Ada Deer, Assistant Secretary of Interior.

If the invitation is still open, Charlie and I still plan to join you and your family at a Houston Oilers game at some point in the future when things are not quite so hectic.

I will be in Houston briefly on June 10th for a late afternoon meeting with the Cherokee group and other activities.

Again, thanks for your continued support of the Heritage Center. Warmest regards to you and your family,

Sincerely,

WPM
