Principal Chief Makeler Phi + J 11-18-93 Box 948 Will Wreceived m Mill Wr-22-93 John John July 11-22-93 John Jahlequak OK 74465 Allac Chief munkeller, Last November I met you at appalachian State Univ. Boose, NC. I spoke with you wiefly after your speech which I thoroughly enjoyed. (In fact, I've just reread my notes) I gave you my card and asked you to remember me. at that time, I had haped to talk with you much sooner than now. Nowever, as mest after hoppens plans take longer to execute than expected. at any pate, I am an artist who specializes in water calor and sculpture, using mative plant fibers and papers. I have an invitational to Show my work in the Sawtooth Gallery, Winston Salem, NC, a very well known gailery. I have been invited to show during "Women's History" month, march, 1995. I have been doing study and research about the Cherokee ration and the women in their history, just finishing the book on your life by Charnan Sitnow. You are the moman I would like to feature in my exhibition. With your permission, I would like to come to Jahlequak to do a series of eastings and molds of you. I have applied for grant thorey to de this important project. slides of examples of the type work I do. also Derry Suhre, Exec. slik of Catherine Smith Lattery
