Chief Wilma Mankiller
Cherokee Nation Tribal Complex
P.O. Box 948
Tahlequah, OK 74465

Dear Chief Mankiller:

I am pleased to announce the opening of the law firm Hembree and Hembree. I, and my wife, Jenine Lawlor Hembree, wish to extend a special thank you to the Cherokee Nation of Oklahoma, and in particular yourself.

In the years 1987 and 1988, I worked as a grantsman for the Cherokee Nation in the Planning and Development Department. That year, thanks to your assistance, I received the American Indian Fellowship and was able to attend the University of Notre Dame School of Law. Upon completion of my law degree I worked for two years in the law offices of Senator Gene Stipe as managing partner of his Muskogee branch office. That experience has enabled me to open our new law firm in Stilwell, Oklahoma.

Hembree and Hembree is a full-service law firm with a wide variety of areas of practice. I feel the firm of Hembree and Hembree have much to offer the Eastern Oklahoma community, particularly the Cherokee community.

It is one of my professional goals to ensure quality representation for Cherokee individuals in this area. I am certain without the help of the Cherokee Nation and your office I would not be in the position I am today. Therefore I would greatly appreciate the opportunity to meet with you and discuss the services my firm has to offer to the Cherokee Nation.

Please feel free to contact this office to arrange a meeting at your convenience, so that we may discuss what the law firm of Hembree and Hembree has to offer.

I look forward to hearing from you.

Todd Hembree
