Dear Chief Mankiller,

It was a great pleasure for me to meet you at Wells College last Saturday. If you meet any young people who are interested in Cornell, please do not hesitate to give them my phone number.

I know traveling around the country to speak must be arduous, but it is a valuable contribution to the public awareness of the tribe, especially here in the east. Thank you.

A catalogue of my recent retrospective is enclosed so that you can see what I do.

Sincerely,

Kay WalkingStick
