Dear Mrs. Wilma Markiller,

This letter concerns a previous letter written approximately the 6th of September. I am Nicole Bahhtianpour, my Multi-Cultural History class at Crooked Oak High School in Okc, are inviting you to come speak to us with our class to broaden our education on the tradition and everyday features of Cherokee lifestyles before the arrival of the Europeans, it would be a pleasure and a great honor to receive you as our guest. Communication and scheduling will be done through me as a pupil, instead of our history teacher, Mr. Gault, as part of mine and my group members
