A Message From Joy

Dear Ms. Mantilla,

I am of Cherokee, German, + Dutch descent.
A friend + I wrote the Song "Legacy To
The Cherokee", I sing it + have recorded
it. It is being played across the
U.S.A. on Christian Country Stations + doing
well in Albreg. N.M., especially among
the Indian Nation there.

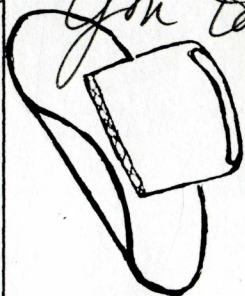

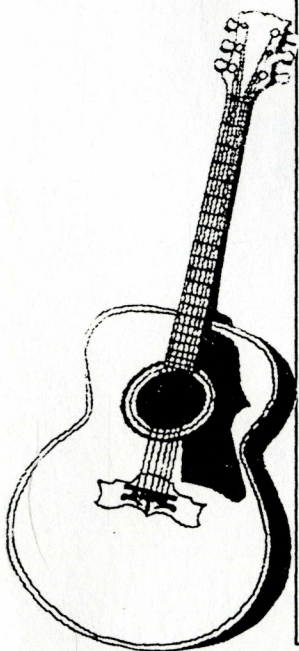

We know you are busy so we have opened
your new tape + cued it to the Song we want
you to hear. "Legacy To The Cherokee". Side A
Hope you like it!
