Chief Wilma Mankiller  
Tribal Office  
Tahlequah, OK 74464

Dear Chief Mankiller,

My husband and I are planning a trip to the south west in late September. As Director of the North American Indian Department of The King's Daughters & Sons, we were planning to visit the Varnells and the Cherokee Children Mission School at Bunch. When I wrote her, she recommended that we see the Museum and the Night Drama at Tahlequah. Could you send me further information about what is available to see and learn about?

The King's Daughters give quite a few scholarships to Northeastern State University and this fall we have 3 girls enrolled there--I had hoped to be able to meet them--so it looks like this may be a very special part of our trip.

The girls names are:

Rose M. Coon  
Kristin Birkenfeld  
April L. Spencer

It would be interesting if any of them happened to work for you.

Our dates aren't completely firmed yet but we will have to be at Farmington for the Navajoland Tour on October 2. We would probably be at Tahlequah either September 27, 28 or 29. I will be anxious to hear when the Dramas are presented.

*Sat. 8/21  
is last night*

Looking forward to seeing all the Cherokee things and meeting several of you. I have corresponded with Mrs. Varnell for 3 years now and feel that she is very special.

Sincerely, IN HIS NAME

Mrs. Vernon Parish
