Dear Chief Mankiller:

As you may already realize, the 1993 United Way campaign is getting closer all the time. This year's kickoff luncheon will be September 17, and "Up With People" will be here to help us get the campaign off to a great start!

A successful campaign takes teamwork combined with preparation and organization. This year, your United Way staff is trying very hard to serve you better. Would you help us by taking a few minutes to complete the enclosed survey? Once we have this information, we can better prepare for the campaign, and can give our volunteers the support and guidance they want and need.

We look forward to a good campaign this year and really appreciate you helping us!

Sincerely,

Robert L. Ferrell
