

country to destroy itself. You are in a position to make a difference. Look out your window — do we really want to lose what we have?

Don't let Satan rule!

"This is my country - land of my birth.  
This is my country - grandest on earth.  
I pledge thee my allegiance - America the bold  
This is my country - to have and to hold."

Stand up for what is right and moral. Who knows what struggles the Cherokee may face if we lose our country! We are strong, we Cherokee. Let us help preserve what is ours.

Sincerely  
Mrs. Vicki Long
