Dear Ms. Gwin:

It was great seeing you at the Oklahoma City Rotary Club Meeting yesterday. I am sorry we did not get to speak more about your project.

After some thought I think it is unwise for me to serve on either the Board of Trustees or the Advisory Board for the Capitol DOMERS Project. I have turned down countless Native and Cherokee Advisory Board requests and I am terribly afraid the ones I have rejected will be upset if my name now appears as a supporter of a non-Native project. I hope you understand my situation.

However, I would like to continue to be supportive of the Project and would be more than willing to lend my name to specific fund-raising events or assist in some other way.

Thank you very much for your kindness.

Sincerely,

Wilma P. Mankiller
Principal Chief
