

We speak the truth, we do not lie. We will not go away. We are Crow. We will see this to the end. With or without you, we are finally getting some real people behind us and picking up momentum to do something for all Crow people. Our doors are open, our telephone lines are open as well. Let us meet for the benefit of us all. We invite you to come to our offices to discuss the Project we are working on for the benefit of all Crow People. The ball is in your court. We await your response.

Sincerely yours,

Virgil D. Williamson (Crow)
Chairman of the Board
Crow Electric Power Corporation
