

NOMINATION NARRATIVE (cont.):

Trujillo, Michael H. PHS#41114

and generate new initiatives that have impacted positively on the Area and the IHS. Capt. Trujillo developed professional relationships with regional medical training centers and associations that enhanced the clinical care delivery systems and provided support to the IHS and Tribal health professionals. Capt. Trujillo was routinely accessible, receptive and response in a highly professional manner to all IHS staff and Tribal officials. Capt. Trujillo represented the Area Clinical programs and the IHS in a credible manner that promoted harmony, teamwork and respect for the contributions and achievements of others.

Therefore, it is highly recommended that Capt. Michael H. Trujillo be awarded the PHS Commendation Medal for sustained and exceptional performance, dedication and professionalism in providing clinical administrative leadership to the PHS/IHS programs of the IHS Aberdeen Area.
