Dear Dr. Trujillo:

It is a pleasure to forward to you the Outstanding Unit Citation which you earned as a result of your efforts in conceiving and creating the Region II Clinical Directors Network. Your contribution to the team effort are indeed noteworthy especially to the more than 550 federally funded Community/Migrant Health Centers.

The work that you and Drs. Cardona, Lee and Goldsmith accomplished has led to permanent improvements in the C/MHC's ability to deliver health services to the underserved. You can be proud of the fact that the Clinical Directors' Network of Region II serves as a leadership model for others to emulate.

It is unfortunate that Dr. Chang is not here to present this to you; I know she would have been very pleased to do so.

Sincerely,

Raymond L. Porfilio
Acting Regional Health Administrator
