MEMORANDUM

TO: Wilma Mankiller  
 FROM: Duane H. King *DHK*  
 DATE: September 8, 1993  
 RE: Draft letter to Carl Foreman

Attached is a draft letter to Carl Foreman. I have not seen the book to which he refers, so the response assumes he has cited the book correctly. I am still working on the position paper related to the interpretive center for the National Park Service. I will send it as soon as it is ready.
