Dear Nita:

Per our telephone conversation today, enclosed is Chief Mankiller's autobiography which I purchased as a Christmas gift for Bud Adams. I would really appreciate it if Chief Mankiller would sign her name on the second page in the book which says only MANKILLER. She may feel free to enclose a separate note to Mr A inside the book if she wants to, and I'll see to it that he gets it.

Please send it back to my attention via overnight mail at the address below so that I'll receive it by Wednesday, December 22. I'll be happy to pay shipping charges if you want to return it C.O.D.

Thanks for your help, Nita, and Merry Christmas to you and yours.

Yours very truly,

Linda Bree
