SOME SWIFT DEER NEWS

Swift Deers organisation, the "Deer tribe Metis Medicine Society", plans to make their "12th Sundance" in June, 1994, in Arizona. In August, 1994, the organisation plans an "European Sun Dance" in Southern France. The places are kept secret. Very important for Swift Deers European connection is the "Quetzalcoatl Lodge" of the "Kurszentrum Winkel" in Wetzikon/Schweiz and the "Austrian Lodge" in Vienna and Graz. Swift Deer claims to be authorised by e.g. Tom Yellowtail, whom he calls "Chief of the Twisted Hair". (See copy of flyer on the back page)

It seems, that the Deer Tribe tries to convince people, that Swift Deer has a monopoly on the "right" magic teachings of Indian spirituality. The teachings are not free. "Spiritual Cherokee Sexuality from Women for Women" cost without Lodging and without eating 3.300 öS (275 US-Dollar). "Shaman Basic Teachings 1" you get for 2170 SFR (4000 US-Dollar) etc.. You can also order from the Deer Tribe in english or in German teachings by mail. The first part of that "Indian" teachings by mail cost 150 US-Dollar.

In former years you had to pay for seminars of the Deer Tribe, which included ceremonies. Now in the German speaking countries Swift Deers people declare on flyers: "Ceremonies are free". But the seminars did not get cheaper, although they say, that now you pay only for the teachings. It is only a show: The ceremonies are "free", but you have to pay for the seminar to be part of the ceremony. So the ceremony is "free", but the teachings have the same price as teachings & ceremonies before. Although they tend to keep their seminar/ceremony places secret. First you have to pay. Then, 10 days before the beginning of the seminar, you get the address, where the "Indian" ceremony/seminar takes place.

Sincerely yours, *Tommy (Chief of the Twisted Hair)*
