Mr. James O. Freedman
President
Dartmouth College
Hanover, New Hampshire 03755

March 16, 1993

Dear President Freedman:

I am honored to have been invited to serve Dartmouth as a member of the Native American Visiting Committee, and respectfully accept the invitation. Dartmouth's commitment to its Native American students is one of its great distinctions, and I hope that, as a member of this committee, I will be able to make some small contribution to the Native American Program and to Dartmouth as a whole.

Sincerely yours,

James L. Bullion
