Dear Pete,

Thank you very much for the beautiful rug. It will have an honored place in my home. I have made no secret of the fact that I have immense respect for you and the leadership you provide for all of us. Because of that respect, your gift means a lot to me.

I also want to thank you for the hospitality you, your family and people extended to Lisa Tiger. She is very committed to preventing others from having to face what lies ahead for her. Even in light of her condition, she has remained positive and forward thinking. She is an inspiration to us all.

I hope all is well with you and your people. I look forward to seeing you here in Tahlequah.

Best personal regards.
