RE: Appointment of New NAVC Members

Attached is a note I received from Julie Ratico with the Native American Program indicating that there are currently four (4) vacancies on the NAVC.

What are the procedures for suggesting candidates to fill these slots? From our discussions in May, I propose the following individuals be considered:

1. Colleen Larimore '85
2. Bill Bray '89
3. Lori Cupp '79
4. Davina Begaye '90

Please let me know at your earliest convenience. I would also like to know if there are any objections to these individuals as possible candidates from any NAVC members. Please let me know in writing by July 23, 1993. Thanks.
