Dear Margaret:

Thanks for your letter dated August 23, 1993. I had no idea why you and Pat had not worked out an agreement. Your input would have been invaluable.

As sometimes happens, I will spend more time on the issue than I need to because someone else dropped the ball. As a matter of fact, I had a meeting with the Rules Committee last Thursday to discuss proposed election law changes.

Again, my apologies for any consternation or inconvenience this may have caused.

Sincerely,
