VIRGINIA

ALPHA DELTA KAPPA

July 14, 1993

*I don't know if
Washington
Virginia
yet*

Dear Chief Mankiller,

I wanted you to have the enclosed photograph of you and three of your Alpha Delta Kappa friends (Anne Brooks, Ellen Roderick, and Jane Stringfellow) taken following your lecture at the Smithsonian on March 4, 1993. That was an exciting evening for us, and we have relived it many times as we have shared with our sorority sisters some of the interesting facets of your life which you shared with the audience that evening. We also told them how gracious you were to us during our brief chat with you backstage. Thank you for allowing us the privilege of meeting you.

On behalf of the Alpha Delta Kappa chapters in Northern Virginia, I would like to invite you to speak to us sometime when you are in Washington and can fit a meeting with us into your schedule. The chapters meet once a month September through May. I know that you have a very demanding schedule and have commitments lined up months in advance. Do you have or will you be making plans to come to Washington anytime between this coming September and next May? If so, would you consider a speaking engagement with us on one of the dates you will be in the city? If you can let me know a date(s) and your speaking fee, I will arrange a place for the meeting as well as transportation and overnight accommodations should you need them. I would be thrilled to welcome you as our friend and guest speaker and look forward to hearing from you.

Most sincerely,

Jane
