Dear Wilma,

I hope it is all right if I address you in that way. I am so glad I had a chance to talk with you by phone. I want to put in writing my invitation to you about which we spoke.

Whenever you feel you are able to do so and if you are traveling across the country to some appointment, if you can land in Indianapolis we would be delighted to meet you, bring you to our campus, and give you the honorary degree in person. We would be so thrilled and pleased to have you present.

I am certain that our alumna, Marlene Kihega Echohawk would be thrilled to learn that you were able to visit us.

I shall look forward with hope to your coming. I call blessings upon all of your endeavors and when I see your book on sale in the stores, I shall be among the first to order a copy.

With love,

Dr. Barbara Doherty, S.P.
President
