

but the Blue & Deer Clans  
(from Okla & N. Carol.) The  
woman in the center will  
be the "Beloved" woman. I  
would very much like  
that woman to be you.  
I could work from a photo  
of your choosing & also from  
a photo of your own tear  
dress. All the women are  
your age or older. Do you  
know what clan your father's  
family were? - If not what  
clan your husband, Charley  
Soap, is? If it is a clan  
other than Blue or Deer  
that is okay. Also could  
you help me find ladies  
from those clans in Okla? I  
asked each lady's permission  
to use their faces & would  
love for you to be the  
"Beloved Woman" in the painting.  
with your permission. I  
would appreciate it very much  
if you approve or disapprove
