

but the Blue & Deer Clans
(from Okla & N. Carol.) The
woman in the center will
be the "Beloved" woman. I
would very much like
that woman to be you.
I could work from a photo
of your choosing & also from
a photo of your own tear
dress. All the women are
your age or older. Do you
know what clan your father's
family were? - If not what
clan your husband, Charley
Soap, is? If it is a clan
other than Blue or Deer
that is okay. Also could
you help me find ladies
from those clans in Okla? I
asked each lady's permission
to use their faces & would
love for you to be the
"Beloved Woman" in the painting.
with your permission. I
would appreciate it very much
