Dear Chief Mankiller;

I am writing to you to inquire about your availability on the lecture circuit.

Cassidy & Fishman is a full service speakers bureau. We work with a variety of corporations, associations and civic groups across the country in helping them secure the most appropriate speaker for their meetings.

We work with a variety of speakers and would like the opportunity to work with you on a non-exclusive basis. At your convenience, I would greatly appreciate it if you send us the following: up to date biographical material, a black and white photo, your lecture fee and a video tape (if available).

If you have any questions whatsoever, please feel free to give me a call.

I appreciate your time and consideration.

Warm Regards,

CASSIDY & FISHMAN, INC.
