

unquestionable role model for
women and young women every-
where.

I was especially impressed with
the scope & variety of programs which
you have instituted. Truly, this is
a model that could serve well
the many pockets of disadvantaged
populations across this land.

Finally, warm congratulations
on your nomination to receive
the AAVW Educational Foundation's
Achievement Award!

I wish you continued success
as Chief of the Cherokee Nation! I
enclose a small donation.

Sincerely

Anita Faulise
