Dear Chief Mankiller:

During the past few years I have followed your career with the Cherokee Tribe with alot of interest and admiration. I have some Cherokee ancestry and even though certainly not enough to ever be cheif, I do have the honor of being Chief Parole/ Probation Officer for the Federal courts of the Western District of Arkansas.

My life-long hobby has been song writing and I have written a song I would like to share with you. I hope you enjoy it.

RESPECTFULLY,

Lee R. Owen
