

management history in-house on a consulting basis.

If you are considering preparing or updating a forest management history, please contact us for additional information. In Missoula, please call me or Gary Williams, the company president; or call John Schuttler in Denver, (303) 279-5785, or Phil McCreedy in Seattle, (206) 682-8708. We look forward to hearing from you.

Yours sincerely,

A handwritten signature in cursive script, appearing to read "William A. Babcock".
